

# The Wirral Craftsman

## Visit Our Workshop

If you would like to visit our workshop to either see your furniture being built or prior to placing your order we would be delighted to see you.

Our workshop can be a busy environment with multiple projects under construction and commercial machinery in use, so we therefore ask that workshop visits are made on an appointment only basis. Please call Richard on 07485 002838 to arrange an appointment.

Our workshop is located at 8 Riley Close, Royal oak Estate, Daventry, Northamptonshire, NN11 8QT.

We don't want you to be out of pocket for your visit so will happily refund the fuel cost for your journey against the value of your order.
